- 5. The shareholders meeting convened by the board of directors shall be chaired by the chairman. When the chairman is absent, the chairman designates one director as agent. If the chairman does not appoint an agent, an agent will be chosen by the directors. If the shareholders meeting is convened by a convener with calling rights other than the board of directors, the chairman is assumed by the convener of calling right. If there are two or more conveners of calling right, one person should be elected to assume the post.
- The lawyers, accountants or related personnel appointed by the company may attend the shareholders meeting. The meeting affair personnel handling the shareholders meeting should wear identification cards or armbands.
- 7. The process of the shareholders meeting should be recorded or videotaped throughout the process and kept for at least one year.
- 8. When the time of the meeting arrives, the chairman announces to start the meeting. However, when no shareholders representing more than half of the total number of issued shares are present, the chairman may announce a delay in the meeting. The number of delays shall be limited to twice, and the total delay time shall not exceed one hour. If the second time is still insufficient and the shareholders representing more than one-third of the total number of issued shares are not present, it may be deemed to be false resolution in accordance with the subparagraph 1 of Article 175 of the Company Act.

Before the end of the current meeting, if the number of shares represented by the shareholders attending the meeting exceeds half of the total number of issued shares, the chairman may re-submit the created false resolution to the meeting to be voted on according to Article 174 of the Company Act.

9. The agenda of shareholders meeting convened by the board of directors is set by the board of directors. Motions (including amendment to the original matters and extraordinary motions) shall be voted separately on a motion-by-motion basis. The meeting shall be conducted in accordance with the scheduled agenda and may not be changed without resolution.

The shareholders meeting convened by other conveners with calling rights may use the above provisions.

Before the agenda of the first two sub-paragraphs are finalized (including the provisional motion), the chairman would not be allowed to announce the adjournment without a resolution.

10. After the meeting is adjourned, the shareholders must not elect another chairman to continue the meeting at the original site or another site. Before an attending shareholder speaks, the speech notes should be filled out with the speech gist, the shareholder number (or attendance card number) and the account name, and the chairman should set the order of his speech. Attending shareholders who present the speech notes alone but do not speak are considered as not speaking.

If the content of the speech is inconsistent with the record of the speech notes, the content of the speech shall prevail.

When the attending shareholders speak, other shareholders may not interfere with the speech except with the consent of the chairman and the speaking shareholders, and the chairman shall stop the violators.

- 11. II. Business Report and financial statements of 2020.

Business Report

In 2020, the outbreak COVID-19 epidemic has had severely impact on global economic. According to the report released by the OECD, the global GDP fell by 4.2%, which seriously affected all industrial chains. International financial market shocks was caused by the influence of multiple factors such as the intensified international political struggle. Due to the effect of COVID-19 pandemic, Carbon Black Business was suffering from the closure of production lines from European and American automobile factories, China's delays on the resumption of work, and India's national lockdown. The market predicts that the demand for tires and carbon black industries will not recover to 2018 levels until 2022. The estimated outcome of royalty dispute arbitration from Biotech Business may be postponed until the middle of 2021. Product technology of Battery Business has encountered bottlenecks. Global economy has experienced the most sharply decline since the Great Depression under such turbulent environment, which led to the drop in operational performance and net income in 2020 compared to 2019. Operational performance in 2020 were as follows:

- 1. Production: 390 thousand metric tons for the core business of carbon black.
- 2. Sales:

Individual: revenue NT\$1,219.81 million. Consolidated: revenue NT\$17.155 billion.

3. Operational performance:

Individual: net income NT\$726.56 million, decreased 38% from last year. Consolidated: net income NT\$676.01 million, decreased 42% from last year.

As we move into 2021, it is expected global demand will rebound gradually and future economy will recover steadily in the post-epidemic era with the progress of vaccine research and development and the global central bank's massive quantitative easing. However, the epidemic has not been effectively under control, and there are still many uncertain factors such as geopolitical risks. The Company adheres to the harmonious symbiosis with the environment, continues to implement and optimize the practice of environmental management and circular economy. Carbon Black Business sustains to improve manufacturing process, reduces fuel consumption, increases fuel usage efficiency, actively develops green products to effectively reduce tire fuel consumption to extend products life and reduce waste. In addition, Carbon Black Business will also persist on the development and deployment of high-quality special carbon black products to enhance product value. To enhance the overall competitiveness and achieve the long-term goal of sustainable operation, Battery Business will sustainably develop nextgeneration high-value new products, focus on rechargeable batteries used for energy storage systems and electronic vehicles.

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders International CSRC Investment Holdings Co., Ltd.

Opinion

We have audited the accompanying financial statements of International CSRC Investment Holdings Co., Ltd. (the "Corporation"), which comprise the balance sheets as of December 31, 2020 and 2019, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, based on our audits and the reports of other auditors (please refer to the Other Matter paragraph), the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as of December 31, 2020 and 2019, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Corporation in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters of the Corporation's financial statements for the year ended December 31, 2020 are stated as follows:

Occurrence and Validity of Operating Revenue from Part of customers of Carbon Black Segment Accounted for Using the Equity Method

Among the subsidiaries accounted for using the equity method on December 31, 2020, the investment amount of the subsidiaries engaged in carbon black business was NT\$10,377,578 thousand. Carbon black is the main operating business of the subsidiaries and accounted for 42% of the equity method investment. The operating revenue of carbon black business subsidiaries was NT\$11,024,509 thousand, which accounted for 64% of the Group's operating revenue in 2020. We considered it was an important matter. Operating revenue of carbon black business was less affected by market supply and economic prosperity than last year. Among the customers of carbon black segment, there were still some customers with growth amount. Therefore, we considered the validity and occurrence of the transactions of the growth amount in the top-ranked customers, which were sorted by their individual variance of revenue between two years as a key audit matter in 2020.

For the accounting policies, accounting estimates, estimation uncertainty and disclosure related to the validity of recognition of operating revenue, refer to Notes 4, 9 and the Corporation's consolidated financial statements Note 37.

We understood and conducted control tests on the design and implementation effectiveness of internal controls related to the validity of recognition of operating revenue of the carbon black segment; sampled and inspected whether an original purchase order existed for each sale in carbon black business and was approved appropriately; inspected whether there is signature on delivery notes, and it is consistent with product names and quantities on invoices and inspected the amounts to ensure they were consistent; inspected the reasonableness of collection of accounts receivable and whether the collection amounts and counterparties were consistent with the revenue recognized; and we also analyzed the existence and rationality of main customers of front-end growth in carbon black business.

Other Matter

Subsidiaries accounted for using the equity method included CCC USA Corp. and its subsidiaries, Continental Carbon India Ltd, and Continental Carbon Eco Tech Pvt Ltd. in 2020 and CCC USA Corp. and its subsidiaries in 2019; the financial statements of such subsidiaries were not audited by us, but were audited by other auditors. Our opinion, insofar as it relates to the amounts included for these subsidiaries, is based solely on the reports of other auditors. The total amounts of the investments in these subsidiaries accounted for using the equity method constituted 18% (NT\$6,200,939 thousand) and 9% (NT\$3,355,353 thousand) of the total assets as of December 31, 2020 and 2019, respectively, and total share of profit from the investment constituted 13% (loss NT\$133,505 thousand) and 20% (profit NT\$291,339 thousand) of income before income tax for the years ended December 31, 2020 and 2019, respectively.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, where applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Corporation's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Corporation to express an opinion on the financial statements. We are responsible for the direction, supervision, and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2020 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Mei-Hui Wu and Yi-Chun Wu.

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders International CSRC Investment Holdings Co., Ltd.

Opinion

We have audited the accompanying consolidated financial statements of International CSRC Investment Holdings Co., Ltd. and its subsidiaries (the Group), which comprise the consolidated balance sheets as of December 31, 2020 and 2019, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, based on our audits and the report of other auditors (please refer to the Other Matter paragraph), the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2020 and 2019, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters of the Group's consolidated financial statements for the year ended December 31, 2020 are stated as follows:

Occurrence and Validity of Operating Revenue from Part of Customers of Carbon Black Segment

The carbon black segment is the main operating segment in the Group and its operating revenue was NT\$11,024,509 thousand, which accounted for 64% of total operating revenue in 2020. Operating revenue of carbon black business was less affected by market supply and economic prosperity than last year. Among the customers of carbon black segment, there were still some customers with growth amount. Therefore, we considered the validity and occurrence of the transactions of the growth amount in the top-ranked customers, which were sorted by their individual variance of revenue between two years as a key audit matter in 2020.

For the accounting policies, accounting estimates, estimation uncertainty and disclosure related to the validity of recognition of operating revenue, refer to Notes 4 and 37.

We understood and conducted control tests on the design and implementation effectiveness of internal controls related to the validity of recognition of operating revenue of the carbon black segment; sampled and inspected whether an original purchase order existed for each sale in carbon black business and was approved appropriately; inspected whether there is signature on delivery notes, and it is consistent with product names and quantities on invoices and inspected the amounts to ensure they were consistent; inspected the reasonableness of collection of accounts receivable and whether the collection amounts and counterparties were consistent with the revenue recognized; and we also analyzed the existence and rationality of main customers of front-end growth in carbon black business.

Other Matter

Among the subsidiaries included in the consolidated financial statements, the consolidated financial statements of CCC USA Corp. and its subsidiaries, and financial statements of Continental Carbon India Ltd. and Continental Carbon Eco Tech Pvt Ltd. in 2020; and the consolidated financial statements of CCC USA Corp. and its subsidiaries in 2019 were not audited by us, but such statements were audited by other auditors. Our opinion, insofar as it relates to the amounts included for these subsidiaries, is based solely on the reports of other auditors. The total assets of these subsidiaries constituted 28% (NT\$14,278,320 thousand) and 22% (NT\$11,555,993 thousand) of the consolidated total assets as of December 31, 2020 and 2019, respectively, and operating revenue constituted 34% (NT\$5,774,664 thousand) and 34% (NT\$7,660,441 thousand) of consolidated operating revenue for the years ended December 31, 2020 and 2019, respectively.

We have also audited the parent company only financial statements of International CSRC Investment Holdings Co., Ltd. as of and for the years ended December 31, 2020 and 2019 on which we have both issued an unmodified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC) and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, where applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2020 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Mei-Hui Wu and Yi-Jun Wu.

Appendices 2.: Rules for Election of Directors Regulations for INTERNATIONAL CSRC INVESTMENT HOLDINGS CO., LTD. Director Elections

INTERNATIONAL CSRC INVESTMENT HOLDINGS CO., LTD (Original Name of the Company: CHINA SYNTHETIC RUBBER CORPORATION)

Regulations for China Synthetic Rubber Corporation Director Elections

- Amended and adopted by the shareholders meeting on June 27, 2012 Article 1. In accordance with the provisions of the Company Act, the company's Articles of Association and related laws and regulations, these regulations are formulated. The election of the directors of the company shall be handled in accordance with these regulations.
- Article 2. In the election of the directors of the company, the single disclosed cumulative election method is adopted, and the names may be replaced by the share account number or attendance number.

If the election of the directors of the company adopts the nomination system for candidates as required by Articles of Association, it is in accordance with the procedures for the nomination system of the Company Act and the provisions of relevant laws and regulations.

- Article 3. In the election of directors of the company, each share shall have the same voting power as the number of directors to be elected in accordance with voting rights. The board of directors shall prepare the ballots with the same number as the directors for each shareholder and one person may be elected or several persons may be elected by allocation.
- Article 4. The directors of the company shall calculate the voting rights of independent directors and non-independent directors according to the quotas prescribed in the Articles of Association. The ballots representing the higher voting rights shall be elected respectively. If there are more than two persons who have the same rights and exceeded the prescribed quota, those who get the same rights shall draw lots to decide. The chairman draw lots on behalf of those who did not attend. The qualifications and selection of independent directors of the company shall be handled in accordance with the "Securities Exchange Act," "Regulations Governing Appointment of Independent Directors and Compliance Matters for Public Companies," "Corporate Governance Best Practice Principles for TWSE/TPEx Listed Companies," and the relevant provisions of the concerned authority.
- Article 5. When preparing a ballot, the board of directors should complete the shareholder account number or the attendance number and voting right number.
- Article 6. At the beginning of the election, the chairman shall appoint the scrutineers and the tellers to open the ballot box.
- Article 7. The ballot box is prepared by the board of directors and is opened by the scrutineers in public before the vote.
- Article 8. The elector must specify the account name of the candidate and the account number of the shareholder in the "candidate column" of the ballot. If not a

shareholder, the elector must specify the name and ID card number of the candidate. When the government or legal person shareholder is the candidate, the name of their representatives may be filled in.

The representative of each ballot is limited to one person.

- Article 9. Ballots that have one of those circumstances on the left are invalid:
 - 1. Ballots as specified in this regulation are not used.
 - 2. Blank ballots are cast in ballot box.
 - 3. The writing is obscure and illegible or has been altered.
 - 4. The candidate account names do not match the shareholder's name list. If the candidate filled in is not a shareholder's identity, the name and identification card number are not matched by verification.
 - 5. The same ballot has listed two or more candidates.
 - 6. In addition to the account names of the candidates (name) and the shareholder's account number (identification card number), the other characters are written.
 - 7. Those who do not fill in the account name (name) of the candidate or shareholder account number (identification card number).
- Article 10. In the election of the directors, a ballot box shall be set up. After the voting, the scrutineer and teller shall jointly open the ballot box on the spot.
- Article 11. The counting of votes is supervised by the scrutineers and the results of the balloting are announced by the chairman on the spot.
- Article 12. These regulations shall be implemented after adopted by the shareholders meeting, which apply to any amendments thereto.
